Virtual Tours of Complex

Beautiful and picturesque aren't words that you would normally use to describe a landfill, but the La Crosse County waste disposal complex fits this description. We are a WDNR Green Tier certified facility and are proud of our reputation. We take our commitment to superior environmental performance seriously. Some of our many partners include: Gundersen Health System, Xcel Energy, Scouts, WisCorps, Outdoor Recreation Alliance, and the North American Squirrel Association. If you'd like to see the landfill and all it has to offer, please view our virtual tour video at <https://player.vimeo.com/video/480079272> and visit our website for additional educational videos.
